Court Appearances

Date	Court	Claimant (C)/ Defendant (D)	Acting for Claimant (C)/Defendant (D)	Description
February 2013	City of London Magistrates Court	Bittacy Court Resident Association –v- Barnet Homes Limited	C	Investigation into the standard and quality of antique housing cables. Upgrading being imposed on property owners by the local council
June 2015	High Court of Justice – Construction and Technology Division	Weatherford –v- Hydropath and MS Oilfield Services		Intellectual property dispute. Analysis of technology to determine technologies used in products
September 2015	Central Criminal Court – Old Bailey London	R –v- Perkins	D	Evasion of expert controls - Export of electronic equipment without export license
March 2016	HM Courts and Tribunals Service	Queen Court RTM Limited	C	Analysis of current and previous versions of BS 7671 regulations, in a case where malpractice was alleged
April 2016	Supreme Court of Scotland	Acotec UK Limited –v- McLaughlin & Harvey Limited	C	Dispute concerning the submergence of a Cofferdam in water and the consequence of water ingress into electrical enclosures
September 2016	Manchester Crown Court	R -v- Zubair	D	Charge of theft of £26K of electricity alleged by prohibited extraction methods
November 2016	Leeds Crown Court	R –v- North	D	Charge of manslaughter. Electrocutation of third party due to contravention of Electricity at Work Act 1989
January 2017	Preston Crown Court	R –v- Diggles	R	Charge of death by dangerous driving, brought about due to the alleged sudden acceleration of a vehicle without driver input
April 2017	Newry Court House, Northern Ireland	Motis (Ireland) Limited –v- Ministry of Justice-	D	Compensation dispute surrounding alleged damages caused by a bomb blast from an IRA car bomb in 2010. Company claiming £140,000 in commercial losses due to effects on computer system.
September 2017	Willesden County Court	Highgate Hill Solicitors –v- Temple Comm (UK) Limited	C	Claim and counter claim in respect of recovery of costs for a closed circuit television system alleged to be not fit for purpose.
October 2017	York Crown Court	R –v- Redfern	D	Charge of perverting the course of justice for the use of a police speed laser jamming device

December 2017	Mansfield County Court	Boyes –v- Lakeside Fisheries	J	Examination of a CCTV and Alarm system allegedly not to specification and poorly installed
August 2018	Royal Courts of Justice	Aspect Construction Services –v- Best	D	Commentary on alleged erroneous data entered in a ‘Verification of a Electrical System Certificate’ and hence fraudulent issuing thereof
August 2018	Glasgow Sheriff Court	Shehzad v Ageas	C	Investigation and commentary of a vehicle fire alleged to have ignited due to a battery/ cable fault.
October 2018	Manchester County Court	Mrs Anne McDonald –v- North West Electricity	C	Commentary of the causation of an explosion of a electrical ‘link’ box, located in the pathway adjacent to the claimant’s parked car which provoke the lid of the link box to be violently expelled causing damage to the claimants car.
August 2018	Glasgow Sheriff Court	Shehzad v Ageas	C	Investigation and commentary of a vehicle fire alleged to have ignited due to a battery/ cable fault.
October 2018	Manchester County Court	Mrs Anne McDonald –v- North West Electricity	C	Commentary of the causation of an explosion of a electrical ‘link’ box, located in the pathway adjacent to the claimant’s parked car which provoke the lid of the link box to be violently expelled causing damage to the claimants car.
February 2019	Woolwich Crown Court	R -v- Seed	D	Commentary on the attributes of electronic equipment alleged to have been fabricated by the defendant and used in the Chatilla Jewellery Store and Hatton Garden Safe Depository burglaries.
May 2019	Basildon Crown Court	R -v- Slaughter	D	Commentary on the causation of fire ignition within a Cannabis Farm alleged to be the reckless action of cascading electrical extension cables. Charge of arson. Accused acquitted due to defence expert report.
May 2019	Nottingham Crown Court	R -v- Hanson	D	Commentary on the attributes of electrical cable connections and the facets of the installation of electrical systems within a large cannabis farm.
February 2020	Supreme Court of Scotland	Reactec Limited -v- Curotec Team Limited	D	Intellectual property dispute focus on the alleged violation of a patent concerned with a hand arm/whole body vibration dosage monitoring instrument.
October 2020	Worcester Coroners Court	The matter of the passing of Charlie French		Commentary on the operation and attributes of an electrically powered hoist, designed and used to raise and lower a disabled person

Industrial and Private Projects

Industrial Projects

- Consultation in the development of equipment to provide a portable process/ procedure to efficiently fill ‘pot-holes’ in road surfaces, such that filling media is robust and prolongs the life of the whole of the road surface.

- Development of a differential radial speed monitoring system, applicable to belt drive, magnetic drive and other radial systems where 'slip', i.e, the speed difference between two rotating entities is of concern.

Private Projects

- Understanding of CAN bus and the dynamics of the buss data consumers in relation to stresses imposed on CAN and data consumers by fluctuations of power supplies
- Non-invasive and non-contact determination of rotational shaft speed using ultrasound and Doppler effect
- Understanding of the measurement and recording of electrical energy using remote wireless split coil current transformers.
- Understanding of the correlation between electrical incendive phenomena and the inflammability/ combustibility of media.

Television Appearances

"Don't Get Done get Dom", Episode, "Atlantic Electric", Flame Television for BBC 1, first shown Thursday 8th May 2014

"X Ray", BBC Wales, Episode, "First Utility – Electrical meter error reading" first shown October 2017

Cases

Date	Claimant (C)/ Defendant (D)	Acting for Claimant (C)/ Defendant (D)	Civil (C) Criminal (R)	Instructing Solicitors LLP – Private Client	Private Instruction	Single Joint Expert (J)	Description
April 2012	De Wet –v- CCE (Bury) Limited		C	Lyons Davidson		J	Quality of recent house re-wiring
May 2012				Park Hall Academy –v- Solihull MBC	Yes		Operation of computer laptop Battery charging procedure
Oct 2012	Marshall –v- Retail Installations Services Limited	C	C	Lyons Davidson			Installation and operation of solar energy generation system (solar panels etc.)
Oct 2012		C	C	Dillon –v- Atlantic Electric and Gas	Yes		Dispute over excessive bill for energy usage
February 2013				Bittacy Court Resident Association –v- Barnet Homes Limited	Yes		Investigation into the standard and quality of antique housing cables. Upgrading being imposed on property owners by the local council
March 2013	Adams –v- Leeds City Council	C	C	Switalskis Solicitors			Investigation into properties electrical heating system and possible inefficiencies.

Date	Claimant (C)/ Defendant (D)	Acting for Claimant (C)/ Defendant (D)	Civil (C) Criminal (R)	Instructing Solicitors LLP – Private Client	Private Instruction	Single Joint Expert (J)	Description
March 2013	Cadman –v- Wakefield Housing Trust	C	C	Heptonstalls Solicitors			Claim for negligence by landlords for faulty residence lighting
April/May 2013	HSE –v- McGill Electrical, Day International	D	C	Brechin Tindal Oatts			Industrial accident, actions be taken against companies by HSE
May 2013	Hird –v- Carter Electrics	C	C	Lyons Davidson			Determine the causation of a fire started with a household consumer unit.
June 2013	Robinson, Johnson –v- Southern Water Services	D	C	Mayo Wynne Baxter			Causation of failure of sewage pumping station
July 2013				Singh –v- Aga	Yes		Failure of Fridge Freezer. Claim for replacement against manufacturer
August 2013	Haddock –v- United Utilities	C	C	Lyons Davidson			Determine the causation of fire within a domestic consumer unit
September 2013				Ken Brook-Chrispin	Yes		Dispute with electrical engineers for poor workmanship and incompleteness of duties to specification
October 2013				Walter Guy	Yes		Check validity of electrical worthiness certificates
November 2013	R –v- Neil Hault	D	R	Dennings Solicitors Limited			Defence expert in a case involving a fatal electrocution
November 2013	Laycock –v- Andrews Letting and Management Limited	C	C	Smith Jones Solicitors			Claim for negligence by landlords for faulty residence lighting
December 2013	Wood –v- Saffron Housing Trust	C	C	Shelter Legal Services			Claim for negligence due to poor electrical maintenance of an extractor fan, the causation of a kitchen fire.
December 2013	R –v- Hughes	D	R	Ann Blyth Cook Solicitors			Analysis of electrical equipment used to extract electricity from a utility supplier.
December 2013	Weatherford –v- Hydropath and MS Oilfield Services	D	C	Trethowans Solicitors			Intellectual property dispute. Analysis of technology to determine technologies used in products.
January 2014	R –v- Stewart	D	R	Grainger Appleyard			Prosecution for manslaughter, focussing on the fatal electrocution of one party whilst attempting to steal electric cables.
January 2014	O'Melia –v- The Six Acres Public House	C	C	Switalskis Solicitors			Personal injury claim due to electric shock received from a glass washing machine.
February 2014				Ann Perkins	Yes		Incorrect advertisement for the attributes of electrical storage heaters.
March 2014	Dr R Ibrahim & Dr N Vadgama	C	C	Lyons Davidson			Inspection of electrical installation and verification of poor practice
June 2014				Derbyshire Trading Standards	Yes		Miss-information of fiscal savings on the cause of solar panel operations.

Date	Claimant (C)/ Defendant (D)	Acting for Claimant (C)/ Defendant (D)	Civil (C) Criminal (R)	Instructing Solicitors LLP – Private Client	Private Instruction	Single Joint Expert (J)	Description
June 2014	Ms Julie Hall	C	C	Ramsdens			Circumstances surrounding the proposed malfunction of and electrical powered circular saw.
July 2014	Mr Andrew Frampton	C	C	Parry & Company			Electric shock from electrical apparatus located within a public sauna
August 2014	Mary Derry	C	C	Keith Flower & Co			Upgrading of a distribution board to accommodate additional electric supplies.
August 2104	Mark Shirley –v- Barclays Bank PLC	C	C	Fentons Solicitors			Determine causation of electrical shock received from and office electrical power distribution system
September 2014	Mrs Anita Martin –v- Kitchen and Duct Cleaning Limited		C	Rob Forsythe/Ellisons Solicitors		J	Examine and identify fault in extractor system in commercial kitchen.
September 2014				Keith Boxall	Yes		Paper shredder explosion.
September 2014	R –v- Christopher Perkins	D	R	Ronald Fletcher Baker LLP			Export of electronic equipment without export license.
September 2014	Christopher Wittle	C	R	Lewisham Borough Council			Child abuse – fan heater misuse.
November 2014				Jacquelyn M Stavish	Yes		Erroneous electricity charges check for validity.
October 2014				Vale of Glamorgan Trading Standards	Yes		Conformation of poor electrical and plumbing installation.
October 2104	Mothers Limited –v- Sheila Shaw	D	C	Ormerods Solicitors			Defence of claim for rent arrears due Ashwells allegation of poor electrical system.
October 2014	Naomi Miller	C	C	Irwin Mitchell			Malfunction of a domestic boiler, due to incorrect siting of temperature sensor
November 2014				BAM Construction Limited	Yes		Discussion relating to the physical & electrical integrity of Wieland ‘female’ electrical connectors.
March 2015	Tamara Fisher –v- Sainsbury’s PLC	C	C	Fentons Solicitors			Electric iron proposed to of exploded when in use.
March 2015	Paul Collins –v- Martin Dowling		C			J	Inspection of electrical system for integrity and work cost viability.
March 2015	Electrium Sales (UK) Limited – v- Havells (India) Limited	C	D	King & Spalding International			Major international dispute – recovery of costs for distribution of MCB’s proposed to induce fires.
March 2014				Timothy Loft -v- NPower	Yes		Verification of proposed faulty domestic energy supply.
March 2015	Uninterruptable Power Supplies Limited –v- Shield Batteries Limited	D	C	Gibsy Harrison			Defence of battery manufacture whose batteries were alleged to have suffered from thermal runaway.

Date	Claimant (C)/ Defendant (D)	Acting for Claimant (C)/ Defendant (D)	Civil (C) Criminal (R)	Instructing Solicitors LLP – Private Client	Private Instruction	Single Joint Expert (J)	Description
March 2015	McGinn –v- Pollard	C	C	MKB Solicitors			Opinion of the integrity and skilfulness of installation of domestic electrical system
April 2015	Singleton –v- Baumatic Limited	C	C	Dorians Solicitors			Opine on electrical shock incident received from a domestic cooker hood
April 2015	Vardaro –v- Eco Homes Systems Limited	C	C	DWF Solicitors			Opinion of the installation and operation of ‘Ecorad’ heating system
May 2015				Iceotope Limited	Yes		Intellectual property recovery – 3 phase interface.
June 2015				Linda Rogers	Yes		Verification of domestic electrical energy consumption
June 2015	Acotec UK Limited –v- McLaughlin & Harvey Limited	C	C	Morgan Legal LLP			Dispute concerning the submergence of a Cofferdam in water and the consequence of water ingress into electrical enclosures
July 2015				Clearline Maintenance –v- Workman LLP	Yes		
July 2015	R –v- Peter North	D	R	Cohen Cramer Solicitors			Fatal electrocution of farm hand whilst welding broken farm machinery
September 2015	Small –v- Asda Stores Limited	C	C	Russellworth Solicitors			Investigation of electrical shock incident concerning a pair of hair straighteners
September 2015	R –v- Waheed Zubair	D	R	Yates Arden Solicitors			Investigation of alleged theft of electrical energy
October 2015				ACC Liverpool	Yes		Consultancy to verify electrical current carrying capacity of cables following a fire caused by under capacity of former cables.
October 2015				Eldon Farndon	Yes		Support for alleged overcharging of electrical consumption
November 2015	Ms Isobelle Cuthbert	C	C	Bonnar Accident Law			Personal injury - Causation of fire which brought about severe burn injuries
November 2015				Resham PLC	Yes		To verify the integrity of electrical systems to BS 7671 within a commercial premise
December 2015	Singh –v- Lancashire et al	C	C	DBS Law			Personal injury caused by a roller shutter door falling on the head of the claimant
December 2015	South Yorkshire Care Limited – v- The Gas Company Limited	C	C	De Vita Platt Solicitors			Claim for over charging of gas and electrical energy
December 2015	Totten –v- Home Base PLC	C	C	Thompson Solicitors			Investigation of an electrical shock incident and the non conformity of an appliance to regulations.
December 2015	R –v- Robinson	D	R	Judith Kenney Solicitors			Investigation of alleged theft of electrical energy
December 2015				PCT and LWG			Investigation on behalf of insurers of the possible causation of a fire within an aged country mansion.

Date	Claimant (C)/ Defendant (D)	Acting for Claimant (C)/ Defendant (D)	Civil (C) Criminal (R)	Instructing Solicitors LLP – Private Client	Private Instruction	Single Joint Expert (J)	Description
December 2015	Martin –v- Colchester Borough Council	C	C	Shelter Legal Services			Investigation of the causation of fire in a domestic dwelling alleged to be due to a faulty smoke alarm.
January 2016		C	C	O’Muirigh Solicitors			Investigation of the causation of fire involving an electric heater
February 2016				MFD Technology Limited	Yes		Verification of innovative wireless telemetry system to required contract standard
February 2016				Michael Corker – Queen Court RTM Limited	Yes		Analysis of current and previous versions of BS 7671 regulations, in a case where malpractice was alleged
February 2016	N Power –v- English	D	C	Wilkin Chapman LLP / Hay & Kilner Solicitors		J	Dispute over bills for the supply and consumption of electrical energy
February 2016	Mrs Nicola Jack	C	C	Hansells Solicitors			Investigation of an electrical shock incident and the non conformity of an appliance to regulations
February 2016				John Elliot – Ebac Limited	Yes		Verification of electronic component to specified standard. Component inherent with company product and repeatedly failing.
March 2016	Valentino Kitchens –v- Moul		C	DAS Law LLP		J	Dispute in relation to quoted work and actual contracted work completed
February 2016	Hughes –v- Hilton International Hotels Limited		C	Russellworth Solicitors LLP		J	Investigation of the alleged sustaining of an electrical shock from a hair dryer
March 2016	R –v- Jessica Peters	D	R	Kaim Todner Solicitors LLP			Investigation of the electrical charge holding attributes of a ‘stun gun’.
March 2016	Goring Electrical Services –v- Davies		C	Anderson Rowntree – Jennings LLP		J	Investigation of the status of the operation of a electrically powered under floor heating system.
April 2016	R –v- Diggles	C	R	Crown Prosecution Service (CPS)			Charge of death by dangerous, brought about due to the alleged sudden acceleration of a vehicle without driver input.
April 2016				Tom Stevenson, Berkeley, Gloucestershire	Yes		Investigation of domestic energy consumption thought to be erroneous.
March 2016				PT and C - LWG	Yes		Fire at Jaguar Landrover
April 2016				PT and C - LWG	Yes		Fire at 25 Regent Street, Great Yarmouth
May 2016	R –v- Centre Parcs Limited	C	R	Bedfordshire Central Council	Yes		Investigation of an electric shock incident sustained from a septic tank which became charge with high voltage due to irregular wiring.
May 2016	Martland –v- Discount Bathroom Limited	C	C	DWF LLP			Investigation of an electrical shock incident sustained whilst in a shower.
June 2016	Atkinson –v-Whitley		C	DAC Law			Investigation of poor electrical wiring practice and conformity to regulation

Date	Claimant (C)/ Defendant (D)	Acting for Claimant (C)/ Defendant (D)	Civil (C) Criminal (R)	Instructing Solicitors LLP – Private Client	Private Instruction	Single Joint Expert (J)	Description
June 2016				Fothergill Coated Plastics	Yes		Investigation of alleged static electrical shock incident proposed to have occurred by a worker from a piece of machinery.
June 2016				Clyde and Co Limited	Yes		Consultancy – Help given to insurance company attempting to understand the process of the design and installation of electrical control panels which had failed, and caused the delay of the integration of a large project
June 2016	Norwich Airport			PT and C - LWG	Yes		Investigation of the causation of a fire, which started atop a aircraft hangar, about the exit point of a waste gas flue of a space heater.
July 2016	Felixstowe Academy			PT and C - LWG	Yes		Investigation of the causation of a fire, which started within a computer server room. Causation of the fire associated with solar panels.
August 2016			C	WBW Solicitors LLP		J	Analysis of light bulb adaptor alleged to have caused an electric shock incident
August 2016 (On going)				Michael Stevens, Bedford	Yes		Analysis of heating control system in a large domestic dwelling. Configuration of the heating system for efficient and correct operation.
August 2016	Blue Electroics Design Limited - v- Intaride Limited		C			J	Analysis of a prototype motorcycle intercom system to opine on whether the system was to and agreed specification
August 2016	Elie Deli , Earlsferry, Fife			PC and T , LWG	Yes		Investigation od a fire alleged to have initiated due to electrical malfunction of a commercial cooling display cabinet.
September 2016	NPower -v- Beasley and Beasley	D	C	Irwin Mitchell			Dispute over bills for the supply and consumption of electrical energy
October 2016				RES Insurance limited	Yes		Investigation of possible insurance fraud. Claim for damage to electronic systems of a motorbike by power surge brought about by lightning strike
October 2016	Barrow-v- ABC City Limited (1) Secretary of State for Health (2)	D	C	Weightmans LLP			Investigation of alleged static electrical shock incident proposed to have occurred by a worker in the process of removing redundant electrically isolated cables .
November 2016				Hugh James Solicitors	Yes		Investigation of a fire alleged to have initiated due to a poor connection of/ security of a fuse..
November 2016	Daly –v- Mohammed Raje	C	C	ADL Solicitors			Investigation of a electric shock incident of the claimant sustained whilst taking a shower.

Date	Claimant (C)/ Defendant (D)	Acting for Claimant (C)/ Defendant (D)	Civil (C) Criminal (R)	Instructing Solicitors LLP – Private Client	Private Instruction	Single Joint Expert (J)	Description
November 2016				Weightmans LLP on behalf of Fairfield Controls Limited	Yes		Expert assign to represent client in proceedings concerning the Barton Bridge disaster, Manchester. Large bridge catastrophically collapsed during construction.
December 2016	Fablye –v- Hackney Council	C	C	Spence and Horne Solicitors			Investigation of malfunction of first floor lighting system
December 2016	R –v- Namini	D	R	IB Medical Limited			Investigation of an fatal electrocution incident sustained in the use of an electrical shower. Charge of Manslaughter And four (4) counts of failure to comply with section 33(1)(a) of the Health and Safety at work Act 1974.
December 2016				Spence and Horne Solicitors	Yes		Investigation into the alleged failure to uphold the integrity of electrical system in accordance with tenant lease.
December 2016	Morgan –v- Trevidi	D			Yes		Landlord tenant dispute in respect of the electrical capacity of an electrical system of a tenanted property.
December 2016	Department of Justice –v- Motis (Ireland) Limited	C	C	Department of Justice (Northern Ireland) Departmental Solicitors Office			Compensation dispute surrounding alleged damages caused by a bomb blast from an IRA car bomb in 2010. Company claiming £140,000 in commercial losses due to effects on computer system
December 2016				Nabarro McAlister	Yes		Investigation of heating attributes/ dynamics of a apartment being on the 10th floor of a apartment block.
January 2017	Collins -v – JD Weathrspoon PLC		C	Kennedys Law		J	Investigation of alleged electric shock incident sustained in the use of a electronic controlled drink dispenser.
January 2017	Temple Comms (UK) Limited – v- HighGate Hill Solicitors			HighGate Hill Solicitors	Yes		Investigation of office CCTV system, suitability for purpose and skill of installation.
January 2017	Havering Council –v- Electrical Express (UK) Limited	C	C	Havering Council	Yes		Investigation of failure of 2500 street lanterns out of a batch of 10,000. Involving analysis ogf ingress protection attributes and general design.
January 2017	Stephenson-Airey –v- O’Carroll		C			J	Investigation of alleged poor electrical system installation practice
January 2017	R –v- Price	D	R	De Maids Solicitors and Advocates			Investigation of alleged theft of electricity

Date	Claimant (C)/ Defendant (D)	Acting for Claimant (C)/ Defendant (D)	Civil (C) Criminal (R)	Instructing Solicitors LLP – Private Client	Private Instruction	Single Joint Expert (J)	Description
February 2017	Citadel UK Limited –v- East Midlands Trains	C	C	Bowcock and Purcell			Examination of the circumstances surrounding the explosion of a battery pack used in the process of starting trains.
February 2017	British Telecom (BT) –v- Northern Ireland Electricity Board (NIE)	C	C	Napier and Sons Limited			Study of the causation of a cable fire alleged to have started due to close proximity of underground low voltage signal cables and high voltage cables.
March 2017	Auriga Europe Limited –v- Rotronic Instruments (UK) Limited	D	C	Steven Drake Solicitors			Examination of electrical power cords (cables) allegedly not to specification and standard.
March 2017				M S Events	Yes		Help in supporting a claim for reconnection of electrical power to a temporary event space given electrical loading of the event space and electrical capacity of the static supply.
April 2017	R –v- Redfern	D	R	Foys Solicitors			Analysis of a device proposed to be design with the intent to detect a police laser speed meter and disable the sound capturing of speed-readings of the meter.
April 2017	Carroll –v- Treanor	C	C	DWF Law LLP			Examination of alleged poor electrical wiring and system installation
April 2017	Barker –v- Ward		C			J	Examination of alleged poor electrical system installation and wrongful selection of electrical supply cable at a remote farm house.
May 2017				Ismet Sinoplu Maxa Mira Limited	Yes		Analysis of the operational electrical attributes of three beauty treatment machines alleged to be none beneficial in the treatment of specific beauty enhancements.
May 2017	Boyes –v- Lakeside Fishery		C			J	Examination of a CCTV and Alarm system allegedly not to specification and poorly installed.
May 2017				Powrmatic Limited	Yes		Analysis of the design of a gas burner ignition controller, thought to malfunction due to electromagnetic radiation.
May 2017				Drive Management (DMS) Services Limited	Yes		Consultant services in respect of a drive belt monitoring device.
June 2017	Chatfield –v- Green Energy Power Solutions Limited	C	C				Investigation of the alleged incorrect installation and configuration of solar panels.
June 2017	Dennis Chukwu – v- Egothan’s Pitta Bakery Limited	C	C				Opinion of electric shock circumstance to an employee and the attributes of electrical systems and maintenance procedure at the employee’s place of work.

Date	Claimant (C)/ Defendant (D)	Acting for Claimant (C)/ Defendant (D)	Civil (C) Criminal (R)	Instructing Solicitors LLP – Private Client	Private Instruction	Single Joint Expert (J)	Description
July 2017	R –v- Wakefield District Housing	D	R	DWF Law LLP			Investigation of a fatal electrocution whilst handling a water heater integral to a fish tank. Case against heater manufacturer and property landlord.
July 2017	Lashmar – v- Network Rail Limited	C	C	DWF Law LLP			Opinion in respect of the control and timing of a railway road-crossing barrier, alleged to have malfunctioned and accidentally hit a crossing user.
July 2017	R –v- Miller	D	R	Foresight Clinical			Investigation of the attributes of a home made ‘stun gun’ and whether the gun was indeed a stun gun and therefore classed as a firearm and therefore unlawful possession under the firearms act 1968.
July 2017	Bolton Halal Poultry Limited –v- Farden Limited		C			J	Examination of electrical wiring and configuration of an electrical consumption meter. Alleged illicit tampering with meter wiring to extract electricity.
July 2017	Victorguard Care PLC –v- ESWA Limited	C	C	Ison Harrison Solicitors			Investigation of the malfunction of ceiling electrically powered heating panels.
July – September 2107	AO Logistics		C	Envista Forensics	Yes		Insurance claim for damage to 180 domestic appliances part of a consignment involved in a road traffic accident. The insurance company doubted whether all appliances would malfunction.
August 2017	East End Homes Limited –v- Thomas Murray	D	C	TV Edwards Solicitors			Investigation of the cause of a fire alleged to be due to illicit tampering with the properties electrical system
August 2017	Mrs D. Brown –v- Mr M. Barrett and Mrs Barrett	C	C	Irwin Mitchell Solicitors			Investigation of the attributes of an electrical system within an aged tenanted property, to determine the extent of unauthorised electrical works undertaken by the tenant and whether such work is to regulation
August 2017	Investec Asset Finance PLC –v- Redbrick Mill Limited and Kennet Equipment Leasing Limited and Canopies UK™ Limited		C			J	Investigation of the electrical worthiness and safety aspects of electrical heaters installed
August 2017	Bolton and Sons Limited –v- Clas Ohlson			Envista Forensics	Yes		Opinion of the circumstance surrounding a fire thought to have been caused by a faulty electrically powered kettle the subject of a product recall.
August 2017	DNA (UK) Limited and Hacer Lighting Limited –v- AG Retail Cards Limited			Envista Forensics	Yes		Opinion on the liability for fire ignition within a retail unit, alleged to be caused by the failure of an electrical component.
September 2017	Ms Ghaffaron Bibi –v- Magiled Limited		C			J	Investigation of the proposed poor installation of a domestic electrical system

Date	Claimant (C)/ Defendant (D)	Acting for Claimant (C)/ Defendant (D)	Civil (C) Criminal (R)	Instructing Solicitors LLP – Private Client	Private Instruction	Single Joint Expert (J)	Description
September 2017	New Charter Housing Trust –v- Mark Routledge Electrical Services Limited	C	C				Opinion on an alleged electric shock incident and whether such an incident could have occurred.
October 2017	Mentmoor Golf Club			Envista Forensics	Yes		Opinion of the causation of the failure of a electrical water sump, submersible pump
October 2017	Lightwave Limited –v- Mayfield (UK) Limited		C			J	Investigation and opinion of the alleged failure of LED strip lights used to illuminate the periphery of outside decking platform's
October 2017	Mrs Anne McDonald –v- Electricity North West	C	C	McNeill Morgan Solicitors			Opinion of the routine maintenance of electricity link box's given the explosion of such a box and the damage cause to a vehicle due to the explosion.
November 2017	Elmer Water Treatment Works			Envista Forensics	Yes		Technical assistance for insurance claim fro corrosive damage to electrical and control equipment at a water treatment works. Corrosion came about due to an accidental leakage of chlorine, which disperses throughout the plant attaching all metal work.
November 2017	95 Greasham, Street London			Envista Forensics	Yes		Technical assistance in respect of problems encountered with a fire alarm system, which was malfunctioning due to sensor addressing problems.
December 2017	GE Electrical Energy Limited			Envista Forensics	Yes		Insurance assistance at an inspection of a shunt reactor deemed to have malfunctioned when in operation. The shut reactor was systematically dismantled to identify the route cause of the malfunction.
February 2018	Rejuvetech				Yes		Commission to help in the development of temperature control heating equipment for road 'pot hole' prototype repair equipment.
February 2018	Anthony Thomas				Yes		Commission to present commentary on circumstances where a young electrician was fatally electrocuted due to the intentional application of a faulty wiring configuration
February 2018	Rimmer v Anthony Aribisala	C	C	Fraser Brown Solicitors			Commentary on electrical defects in a high-end penthouse suite in central London.
March 2018	Mr A Green -v- Barnet Holmes	C	C			Yes	
March 2018	Mike McKinlay				Yes		Commissioned to present commentary on poor electrical work

Date	Claimant (C)/ Defendant (D)	Acting for Claimant (C)/ Defendant (D)	Civil (C) Criminal (R)	Instructing Solicitors LLP – Private Client	Private Instruction	Single Joint Expert (J)	Description
April 2018	TrakHire Ltd v Mr David Thompson					Yes	Assistance in a dispute concerning alleged over charging for electrical work duties.
May 2018	Fusion 85				Yes		Commissioned on behalf of - Hewlett Packard to determine the differences between exemplar and counterfeit laptop power supply units.
May 2018	R -v- Creer	D	R	Bridson Halsall			Commentary on the circumstance's surrounding electrical shock and burn injuries sustained whilst undertaking maintenance work on a high energy electrical circuit breaker.
June 2018	Bandgap Limited				Yes		Commentary on the efficacy of electrical connections to media coated with electrically sensitive phosphorescent coatings.
June 2018	R -v- Logistex	D	R	Howes Percival			Commentary on the circumstances surrounding injuries sustained whilst undertaking maintenance of a lift platform thought to have been electrically isolated.
June 2018	Malcom Green v Places for People Group Limited (1) Norcos Group (Holdings) Limited (t/a Triton Showers) (2)	C	C				Commentary and opinion of circumstances where an electrical shock was sustained whilst opening a metallic gate, the gate being part of a security fence with integral electrical shock deterrent system
July 2018	R -v- Chris O'Malley	D	R	Berryman Lace Mawer			Investigation into the possible causation of fire ignition at Cameron House Hotel, Ballock Loch Lomond, Scotland
July 2018	Northern Power Grid -v- Andrew Brown	C	C	Watson Burton			Commentary on the location and safety aspects of an outdoor electricity distribution/sub-station
August 2018	Nazeem Shehzad and Ageas Insurance Limited	D	C	Brodies Solicitors			Commentary on the circumstances surrounding the causation of a fire started with the front engine bay of a car alleged due to car battery wiring.
